

FENCING ASSISTANCE PLEDGE FORM

Please make a pledge to help a chained dog live a better life!

If the Austin City Council votes to pass a ban on the chaining and tethering of unattended dogs, I hereby pledge to donate \$_____ to a fencing assistance fund to be managed by Town Lake Animal Center or by another non-profit organization.

I understand the fencing assistance funds would help provide grants to low-income families who wish to build a humane fenced enclosure for their dog.
